# Recovery of international domains

**Warning!** Our company does **not** yet provide international domain recovery services!

You may recover your international domain for 30 days after expiry. Be warned, the recovery costs may be many times the registration fee!

# Recovery of .hu domains

After the expiry of a .hu domain, you may recover the domain for 45+60 days. The domain may only be recovered by the owner or a legal successor.

# Dispute resolution with .hu domains

Disputes with .hu domains are resolved by the [advisory board](#). (Documents are only available in Hungarian.)

# Recovery of .eu domains

You may recover your .eu domain for 40 days after expiry following the cancellation. The recovery costs equal to the registration fee.
